

I Want To Give You An Extra \$20 Bucks For Just Telling 2 Of Your Friends About DataView Tax Service!!

That's right! We'll put an extra \$10 bucks in cash in your pocket for every NEW person you send us that becomes a DataView client.

Here's what you need to tell them:

If they are interested, and they are NOT a DataView customer, all you have to do is fill out one of the Refer-A-Friend slips below with your name, address, last four #'s of SS#, and send them down to our tax office with the coupon. If your friend uses our income tax services this year, we'll send you \$10 cash. (If two of your friends use DataView you'll get \$20 bucks, if three you get \$30—there is no limit! - just make copies of the coupon below or call the office for more coupons.) IT'S THAT SIMPLE! Plus, to make this offer a good deal for everyone, we'll even give your friend an incentive to choose DataView, too.

As A New Referral, Your Friend Receives \$10 OFF Any Income Tax Service For Choosing DataView!
